About me

I am Naisargi . "Naisargi " means "Nature". I am highly inspired by nature and culture. I believe in modernism and it always comes with challenges and I see challenges as the way to improvise and learn, creating new ideas and exploring new things in life. Practising design always leads me to my creativity and innovative ideas to solve the various challenges.

FRONTIER

A word tells many stories!

For me person who can think beyond the boundaries,beyond the limits and have courage to do what they want to achieve that makes them fearless. That personality never settle for limited boundaries. They have courage to fight with any stituation and find the solution of every problem.They are able to find the way which is acceptable for everyone.That strong personality makes them "leader".
